RE: O-1 Visa Petition for Mrs. Model

Dear Sir or Madam:

We have reviewed the Draft I-129 Petition and supporting documentation regarding your request for our advisory opinion on behalf of **Ms. Model**.

The World Model Association (WMA) is the first international co-operative association of its kind serving more than 34,000 models and over 6,000 modeling agencies and scouts. WMA represents the modeling sector in politics, media and industry, promoting a positive image of the profession and ensuring ethical behavior. In addition to providing access and connections to the fashion industry and related sectors, WMA also acts as an educational institution through trainings for models and agencies. Moreover, WMA develops and monitors professional ethics and international standards, supporting commercialization while representing the interests of its members.

This letter is to advise that WMA, an international organization that supports occupational peers of the proposed beneficiary, raises no objection to the granting of an O-1 visa to **Ms. Model** in connection with her services to **AGENCY Companies, Inc.** and The **AGENCY** as video host, celebrity coordinator, and event producer/personality, as well as any such similar future projects. This model meets the standards of distinction in the arts and/or creative professions to qualify for said visa. It is our opinion that Ms. MODEL has a history of extraordinary achievement in her field of endeavor and we concur in the finding that her prospective services clearly require an individual of her level of professional and artistic achievement.

Please do not hesitate to contact me if you have any questions.

Sincerely yours,

World Model Association

President
